

## **Assoc Prof. Mahfudzah Mohamed**

Assoc Prof. Mahfudzah Mohamed has 27 years working experience with Faculty of Accountancy, Universiti Teknologi MARA (UiTM). She is currently seconded to IPAC Education@INTEC as the director. INTEC is a wholly owned subsidiary of UiTM that is entrusted by the Government to increase the number of professionally qualified accountants in Malaysia.

Her areas of discipline are Financial Accounting and Reporting, and Auditing. She has more than 15 years' experience leading and managing the professional accountancy programmes such as ACCA, CIMA, CPA Australia, MICPA and ICSA for UiTM. Her experiences include strategically managing the programmes where UiTM is the first and the only public university in Malaysia that offers these programmes. Under her leadership, UiTM is one of the tuition providers awarded the Platinum status by ACCA on the basis of criteria determined by ACCA including, among others, examination percentage passes that surpass World and Malaysian rates.

She has also published a book on accounting theory titled *A Study on Accounting Theory and Practice* and has presented various research papers. Her professional involvement includes as a visiting professor at Iverson Business School in Jakarta, Indonesia, Examiner and Language Editor for Malaysian Institute of Accountants (MIA) Qualifying Examination and as an assessor for professional programmes for Malaysia's qualification agency.
